

# Job Opportunities

A Seminar by Mr. Shankarnarayan, HAL Aircraft Division, Nashik

The demand for trained and approved aviation Professionals is increasing day by day in the world aviation industry . A career in the aviation industry is well-paid, rewarding and challenging and assures a promising and bright future. Candidate passing AME & B.Sc Aeronautics examinations will be at an advantageous position as this qualification broadens the scope of employment in the aviation industry. Candidates successfully completing the course may get employed with:

- ✎ Flying Training Institutes / AME Training Institutes
- ✎ Maintenance Repair and Overhaul Companies
- ✎ Other Aviation related organizations.
