About the Institute

Padmashri Dr. Vithalrao Vikhe Patil Institute of Technology and Engineering (Polytechnic), Pravaranagar (Loni) was established in August 1981. It is one of the first of its kind established on No Grant Basis in the State of Maharashtra. The necessity to establish a technical institution in the rural area was felt long back by the great visionary Late Dr. Balasaheb Vikhe Patil (Padma Bhushan Awardee). He was of the firm opinion that it is essential to provide higher educational facilities to the rural youths because they are not in a position to compete with their urban counterparts in the race to secure admission in technical institutions due to lack of proper facilities and guidelines.

Ever since, the Pravara Rural Education Society established in the year 1964, striving to bring the education to the door steps of the rural masses. The Pravara Rural Education Society lays special emphasis on the education of women as well. Late Padmashri had realized that unless the women folk of the rural area are properly educated, real progress of the rural area is not possible. Under the dynamic leadership of the Chairman of Pravara Rural Education Society, Hon'ble Shri. Radhakrishna Vikhe Patil, the Pravara Rural Education Society has become one of the prominent institutions in rural area providing educational facilities in almost all faculty.

The education in general and technical education in particular is a vital component of Human Resources Development which has dynamism to change the quality of life in rural area. The institute has therefore played a very significant role in imparting technical education at middle level, particularly to the rural youths. Many of these young engineers have become entrepreneurs and have created employment opportunities in the rural area, thereby restricting the flow of rural youths to urban areas to some extent.

This polytechnic is consistently training the youth to make them employable or to become self-employed person. In addition to running formal diploma courses, we take care of overall development of the students by way of training them on soft-skill, industrial training, industrial visits, expert lecturers & value addition courses etc. Our institute is taking an active part in the overall development of the rural region in its humble way.
Pravara Rural Education Society has been awarded as the Best Educational Institution by Govt. of Maharashtra in 2003 and certified by ISO 9001-2000 organization in 2007, and “Dr. A. P.J. Abdul Kalam innovation in governance” award-2016, (Excellent Education Institute) by Indo-US foundation, New Delhi, in 2016.

Vision

To provide quality technical education to rural students.

Mission

- To impart training for developing hands on skills.
- To develop technical skills by practicing the best teaching-learning pedagogies.
- To enhance career opportunities through industry connect.

15	Mr. Kakade Ravindra Sundarlal	Member, Teaching Faculty
16	Mr. Umbarkar Kushinath Changdeo	Member, Non-Teaching Faculty
17	Dr. Rathi Vijaykumar Rameshwar	Member, Secretary/Principal

The Institute's Governing Body works to offer cutting-edge teaching and learning facilities. This is made possible through proper governance, well planned activities, and decision-making in the interests of the students. Primarily the Governing body concentrates on the infrastructural and recruitment at the Institute level. Some other key points which are taken into consideration are as below:

- Approving Quality Education Strategy for the College.
- Approving annual budgets, estimates of income and expenditure.
- Setting a framework for the pay and conditions of service of all staff.
- Approving the important decisions and amendments as required by the Institute.
- Ensuring the implementation of the recommendations of the Governing Council.

Internal Complaint Committee (ICC) / Women's Grievance cell

Padmashri Dr. Vithalrao Vikhe Patil Institute of Technology and Engineering (POLYTECHNIC), Pravaranagar is committed to providing safe academic and working environment to all students and its women employees. As per the guidelines of Supreme Court, UGC, Sexual Harassment of Women at Workplace (Prevention, Prohibition & Redressal) Act, 2013, As per Section 4 All India Council for Technical Education (Gender Sensitization, Prevention and Prohibition of Sexual Harassment of Women Employees and Students and Redressal of Grievances in Technical Institutions) Regulations, 2016 vide No. F.AICTE/ WH/2016/01dated 10th June, 2016, an Internal Complaints Committeehas been established by the College.

08	Mrs. N. R. Kadu *Lecturer*	Member	8308297800
09	Mr. R. B. Nimbalkar *HOD Mechatronics & TPO*	Member Secretary	9226887113

Functions & Responsibilities:

- To arrange on & off compus Placement drive.
- To help the Placement Cell to maintain contacts with Alumni.
- To help the Placement Cell to organize the various processes like written test, group discussion, technical interviews, HR interviews when companies come to the campus for placement drive.
- To organize activities aimed at improving Institute – Industry – Interaction.
- To coordinate the soft skills training programmes of the respective departments.
- To intimate students well in advance about the forth coming drives and selection process.
- To arrange internships for second- and third-year students.
- To provide information about various careers available in this competitive world.
- To organize career development seminars and workshops.
- To invite companies to interact with students.
- To organize awareness programmes on significant areas.
- To activate resources for needy students to apply for jobs.

To train the students in soft skills and personality development which are essential for employment and successful career.

Sports Committee

The Padmshri Dr. Vitthalrao Vikhe Patil Institute of Technology & Engineering (Polytechnic) has constituted the **Sports Committee**, to organize and conduct various **Sports. Committee** is formed to serve the interests of the student's community in competitive sports and other recreational activities.

Sr. No	Name of the Staff	Designation	Mobile No
01	Dr. V. R. Rathi *Principal*	Chairman	**9423787412**
02	Mr. N. M. Garad *Vice Principal & HOD, Chemical Engineering*	Member	**9890844774**
03	Mr. D. V. Pathare Lecturer, Mathematics	Member	**9975417597**
04	Mr. R. P. Kumawat *Lecturer, Cloud Computing & Big Data*	Member	**9975626198**
05	Mrs. S. N. Satbhai Lecturer, Mechatronics	Member	**9922373739**
06	Mr. S. D. Shelke *Lecturer, Mechanical Engineering*	Member	**8007085524**
07	Mr. R. D. Vikhe *Lecturer, Civil Engineering*	Member	**9960548131**
08	Mr. P. B. Jejurkar *Lecturer, Automobile Engineering*	Member	**9689038621**
09	Mr. S. R. Tribhuvan	Member Secretary	**9096414145**

Roles and Responsibilities:

- The committee shall promote sports activities by motivating students and members of staff.
- Establishing adequate facilities for Sports & competitions.
- Budgeting the funds for organizing interzonal, zonal, District level matches, inter-faculty matches.
- Conducting orientation programmes for students and faculty.
- Coordinating with the Departments for putting special focus on winners in Inter-Polytechnic Sports & Games meet at District Level.
- Preparing the Annual report of accomplishments in Sports & competitions.
- Discarding the out-dated, damaged and Sports & Games equipment's with adequate permissions.
- Identifying and utilizing the services of resource persons for the training of the students in various sports & Games.
- Promoting team spirit by making healthy
- To organize regular sports events in order to train students for state and national level.

Entrepreneurship Development Cell

Padmashri Dr. Vitthalrao Vikhe Patil Institute of Technology & Engineering (Polytechnic) has formed the Entrepreneurship Development Cell with a view to foster the entrepreneur skills among the Diploma students.

Sr.No	Name of the Staff & Positions	Designation	Mobile No
01	Dr. V. R. Rathi *Principal*	Chairman	9423787412

09	Miss. S. N. Mhase *Lecturer, Electrical Engineering*	Member Secretary	9834404025

The basic objectives of EDP Cell are:

- To promote participation of industry personnel in the development of diploma students creative thinking and efficient work culture.
- To develop communication, marketing and management skills among Diploma students.
- To organize Guest lectures and Workshops regarding Personality and Entrepreneurship Development and Career guidance.
- To arrange industry visits and industrial training for the students of our institution for encouraging Student-Industry Interaction.
- To imbibe the students with the skills and qualities required to become good entrepreneurs

RTI Committee (Right to Information Committee)

Right to get information is the legal right of every citizen recognized and protected under the Right to Information Act, 2005. UGC has made it mandatory for the Universities and Colleges to constitute RTI Committee at the Institute level to provide a mechanism to enforce the right and to comply the prerequisites of the Right to Information Act, 2005.**Pravara Rural Education Society's Padmashri Dr. Vittalrao Vikhe Patil Institute of Technology and Engineering Polytechnic, Pravaranagar** has constituted **Right to Information Committee**(RTI) as per Right to Information Act, 2005.

Composition of the Right to Information Committee

Sr. No.	Name	Designation	Contact Details
1.	Dr. V. R. Rathi	Appellate Authority	vijay.rathi@pravara.in
2.	Prof. N.M Garad	Public Information Officer	namdeo.garad@pravara.in
3.	Mr. K. C. Umbarkar	Asst. Public Information Officer	kushinath.umbarkar@pravara.in

Objectives:-

- The basic object of the Right to Information Act is to empower the citizens, promote transparency and accountability in the working of the Government, contain corruption, and make our democracy work for the people in real sense.
- It maintains the necessary records of the college and provides the information of the institute.
- It provides information on the social welfare scheme of Government of Maharashtra.
- To act as a coordinating unit that works for the welfare of the students.
- To deal with all affairs related to SC, ST scholarships and reservations available in the Indian Government Policy.
- Addressing the inquiry applications and providing necessary information within stipulated time period.

How to Apply:-

- The student can submit an application of inquiry to the committee.
- After receiving the application, the RTI Committee will make inquiry and provide the relevant information.

Admissions

Admissions are conducted through Centralized Admission Process (CAP) of Govt. of Maharashtra. The Eligibility for Admissions, Registration and Admission procedure are conducted through Director of Technical Education, Maharashtra. For more details, candidates may contact to Admission Center at our institute.

Candidates are advised to follow the guidelines for admission to First Year Diploma in Engineering (DEN) and Direct admission to Second Year Diploma in Engineering (DSD) courses as published by the Directorate Of Technical Education, Maharashtra State, Mumbai (https://poly24.dtemaharashtra.gov.in/diploma24/ and https://dsd24.dtemaharashtra.gov.in/dsd24/), and Admissions Regulating Authority (ARA) from time to time.

Contact for Admission

Web Site : www.pravara.in/polytechnic
Dr. V.R.Rathi

FIRST YEAR

Mr. Laware R.V.: +91-9881921043

DIRECT SECOND YEAR (LATERAL ENTRY)

Mr. Garad N.M..: +91-9890844774

Scholarships

All the scholarships are available as per the guidelines issued by State Govt / Central Govt /AICTE etc. (https://mahadbtmahait.gov.in/)

Courses Available for Admissions:

Automobile Engineering	Chemical Engineering	Civil Engineering
Computer Technology	Mechanical Engineering	Mechatronics
Cloud Computing and Big Data		

Fee Structure 2024-25

Fees are applicable as per the approval of Fee Regulating Authority (FRA), Govt.of Maharashtra. (College Fees)

Curriculum

The Institute is affiliated to Maharashtra State Board of Technical Education, Mumbai. The curriculum of theBoard is followed by the institute.

The link for Curriculum structure and syllabus of all the courses is given as follow;

https://econtent.msbte.edu.in/curriculum_search/

Teaching-Learning Process

The teaching and learning process in polytechnics under the Maharashtra State Board of Technical Education (MSBTE) focuses on a blend of theoretical knowledge and practical skills. Here's an overview of the key components:

1. Curriculum Structure

- **Diploma Programs**: MSBTE offers various diploma programs across fields like engineering, technology, and management.
- **Modular Approach**: The curriculum is designed in a modular format, with clear learning outcomes for each module.

2. Teaching Methodologies

- **Lectures**: Theory is delivered through lectures that cover fundamental concepts and principles.
- **Practical Sessions**: Emphasis on hands-on training in labs and workshops to reinforce theoretical knowledge.
- **Project-Based Learning**: Students engage in projects that promote problem-solving and critical thinking.

3. Assessment and Evaluation

- **Continuous Assessment**: Regular tests, assignments, and quizzes to gauge student understanding.
- **Practical Exams**: Evaluation of practical skills through lab work and practical exams.
- **Final Examinations**: End-of-semester exams assess overall comprehension of the subject matter.

4. Industry Collaboration

- **Internships**: Students are encouraged to undertake internships, providing real-world experience.
- **Guest Lectures**: Industry professionals are invited to share insights and current trends, bridging the gap between academia and industry.

5. Skill Development

- **Soft Skills Training**: Programs focus on communication, teamwork, and leadership skills essential for the workplace.
- **Technical Workshops**: Additional workshops to enhance specific technical skills relevant to the industry.

6. Student-Centric Approach

- **Interactive Learning**: Encouraging discussions, group activities, and peer learning to foster a collaborative environment.
- **Support Systems**: Academic counseling and mentoring to assist students in their learning journey.

7. Use of Technology

- **E-Learning Tools**: Incorporation of online resources and learning management systems to facilitate access to learning materials.
- **Simulation Software**: Use of industry-standard software for practical applications.

8. Feedback Mechanism

- **Regular Feedback**: Students receive feedback on their performance, helping them identify areas for improvement.
- **Curriculum Review**: Continuous improvement of the curriculum based on student and industry feedback.

This holistic approach ensures that polytechnic graduates are well-equipped with the knowledge and skills necessary for their careers. If you need more specific information or details on a particular aspect, feel free to ask!

Location

Padmashri Dr.Vithalrao Vikhe Patil Institute of Technology and Engineering (POLYTECHNIC) is located at a distance of 2 km from Loni bus stand on the Ahmednagar-Sangamner state highway. It is directly approachable from Mumbai & from Pune. Maharashtra State Transport runs frequent bus services. Belapur (Shrirampur) and Shirdi are the nearest railway station (22 km) on Central Railway line from where direct train services are available to Mumbai, Pune, Delhi, Nagpur, Bengalore, Jammu, Hyderabad, Ahmedabad, Madras, Trivendrum etc. The nearest airports are Shirdi, Pune & Aurangabad from where regular flights are available. The College is situated at a distance of about 26 km from the famous holy shrine of Saibaba at Shirdi. The climate of Loni is mild, dry and salubrious. The college campus is spread over an area of 51 acres.
