- **Mr. Arun Wable**

Director,

Citi Security & Investigative Services, Chief if Internal Vigilance

I must confess that what I am today is because of what we have learnt and received in PPS and PVP College. These educational institutes have not just taught us what was ordinarily required to be taught in classrooms but went way beyond to make good human beings. It taught us the virtues of life; it taught us to differentiate the right from the wrong; it taught us to be grounded even after tasting success and it also taught us not to be crestfallen after defeat as there is always another chance.

माझे आयुष्य अमुलाग्र बदलवून टाकणारे जर काही असेल तर ते फक्त पद्मश्री डॉ. विठ्ठलराव विखे पाटील महाविद्यालय आणि येथील प्राध्यापक वृंद होय. आज मला जे काही यश लाभले आहे त्या यशाचे बीजं याच महाविद्यालयात पेरली गेली आहेत. येथील प्राध्यापकांकडून मिळालेले ज्ञान, संस्कार आदींमुळे माझे जीवन समृद्ध झाले आहे. या महाविद्यालयात जीवनातील अनेक पैलूवर जडणघडण झाली आहे आणि म्हणूनच येथील अनेक विद्यार्थी आज हिऱ्यासारखे जगभर चमकत आहेत. शैक्षणिक गुणवत्तेबरोबरच येथे आमची सांस्कृतिक, सामाजिक प्रगती देखील झाली आहे. ग्रामीण भागात अत्युच्च दर्जाचे शिक्षण देणारे भारतातील एकमेव असे हे माझे महाविद्यालय आहे. म्हणून मला या महाविद्यालयाचा विद्यार्थी असल्याचा फार फार अभिमान आहे व माझे आयुष्य घडविल्याबद्दल मी या महाविद्यालयाचा कायम ऋणी राहीन.

धन्यवाद!

Being associated with Padmashri Vikhe Patil College is a matter of pride to me. Three years in the college were the most educating, exhilarating years of my life. Often it makes me feel nostalgic for the great time I had and best of the friends I made here. I am amazed to see that PVP has never stopped being better than it was yesterday and it has always followed continuous improvement. My sense is that PVP College knows what has to be done and true to its spirit.

I will always remember Padmashri Vikhe Patil College as it is the only college which had provided me the opportunity to achieve quality education even though the college is situated in the rural area. The college had taught us to compete with the world to become a successful person.
