- **International level symposium- 01**
- **State level Poster Presentation-02**
- **State level Paper Presentation-01**
- **Seminar/Workshops attended-05**
- **Participated Entrepreneurship Awareness Camp-01**

**Other Activities**

Since 2019, my friend Dr. Mangal Sangale and I have been running the Tarupreet Project in the drought-affected Sinnar taluka with the aim of environmental conservation. Over the past five to six years, we have carried out more than 20,000 seed sowings and over 2,500 tree plantations across Nashik and Ahmednagar districts.

We run this initiative throughout the year using our personal savings so that the message of environmental protection reaches more people. In recognition of our work, the Tarupreet Project received a state-level award on 8 February 2025 at Udgir in Latur district.

Continuing our mission of spreading greenery, we have also undertaken many additional eco-friendly activities. Furthermore, on 11 April 2025, the project was honoured with the “Vruksha Sakhi” award by the Vrukshamitra Foundation in Manegaon, Sinnar.

**Registered Pharmacist-** 282693 Maharashtra State Pharmacy Council
