Civil Engineering Department **NEWSLETTER**

CIVIL-TECH **2024-2025**

About The Department

The department of Civil Engineering was established in the year 1981 with an intake of 60 students for diploma in CIVIL ENGINEERING program under the Maharashtra State Board of Technical Education. The program has been rewarded EXCELLENT grade by the External Academic Monitoring Committee of MSBTE, Mumbai. It has a state of art equipment, spacious laboratories, highly qualified and dedicated staff and above all highly motivated students.

The Principal's Message

I am profoundly happy that the Department of Civil Engineering release the **"CIVIL TECH"** Newsletter for academic year 2024-25 enumerating the various activities & achievements of our faculty and students. A Newsletter is like a mirror which reflects the clear picture of all activities undertaken by a department.

The department got NBA Accredited & offers excellent academic environment with a team of finest young and dynamic faculty members to inspire the students to develop their technical skills and overall personality. I trust that we face the challenges with full steam and vigour so that our students, the engineers of tomorrow, have a strong presence in the world of Civil engineering.

I proudly say that this Newsletter gives the motivations to all the faculty and students. I appreciate the Department of Civil Engineering for releasing **"CIVIL TECH"** Newsletter of Department of Civil Engineering for academic year 2024-25.

Dr. V. R. Rathi

Principal,

P. Dr. Vitthalrao Vikhe Patil Institute of Technology & Engineering (Polytechnic), Loni

Message from H.O.D.

It gives me an immense pleasure to release the "CIVIL TECH" Newsletter of Department of Civil Engineering for academic year 2024-25 enumerating the various activities and achievements of our faculty and students. It is a great feeling to declare the newsletter of a department which has such a glorious track record and which is a part of a very reputed institution. The main aim of starting this newsletter is to appreciate the efforts of our innate students and our vastly experienced faculty.

Different activities like paper presentations, expert lectures, industrial visits and many more take place in the department. This newsletter highlights all the important happenings taking place in the department. Hearty thanks to our Principal for his valuable encouragement and wholehearted co-operation.

I, as a head of the department would like to thank all the faculty members, non-teaching staffs and students of Civil Engineering for their continuous support and sincere efforts for the betterment and development of department.

On this occasion, I congratulate all the team members of the editorial board for bringing up this issue in a better shape.

Mr. S. K. Gorde
H.O.D.,

CIVIL ENGINEERING DEPARTMENT

NBA ACCREDITED

"THE ROAD TO SUCCESS IS ALWAYS UNDER CONSTRUCTION."

-Lily Tomlin

VISION

- To develop the rural students as skilled civil engineer to build our nation.

MISSION

- M1: To develop technical skills through trainings.
- M2: To provide civil engineering skills to students through teaching and learning process.
- M3: To enhance career opportunities for students through higher education, industry & entrepreneurship.

Program Educational Objectives (PEOs)

PEO1: To prepare graduates to adopt technical skills to face real life problems in civil engineering field.

PEO2: To understand latest civil engineering technologies that evolve construction growth through teaching learning process.

PEO3: To prepare career oriented students by providing opportunities to work in construction field & higher education.

Program Specific Objectives (PSOs)

PSO1: Implement concepts of Fundamental Engineering & Construction Materials to solve Civil Engineering problems.

PSO2: Planning, identifying and solving the construction site problems.

PSO3: Analyze, design structural systems to achieve sustainable development in Civil Engineering work.
