Civil Engineering Department Newsletter

“CIVIL TECH”
2023-24

ABOUT DEPARTMENT

The department of Civil Engineering was established in the year 1981 with an intake of 60 students for diploma in CIVIL ENGINEERING program under the Maharashtra State Board of Technical Education. The program has been rewarded EXCELLENT grade by the External Academic Monitoring Committee of MSBTE, Mumbai. It has a state of art equipment, spacious laboratories, highly qualified and dedicated staff and above all highly motivated students.

THE PRINCIPAL'S MESSAGE

I am profoundly happy that the Department of Civil Engineering release the "CIVIL TECH"- Newsletter for academic year 2023-24 enumerating the various activities and achievements of our faculty and students. A Newsletter is like a mirror which reflects the clear picture of all activities undertaken by a department.

The department offers excellent academic environment with a team of finest young and dynamic faculty members to inspire the students to develop their technical skills and overall personality. I trust that we face the challenges with full steam and vigour so that our students, the engineers of tomorrow, have a strong presence in the world of Civil engineering.

I proudly say that this Newsletter gives the motivations to all the faculty and students. I appreciate the Department of Civil Engineering for releasing "CIVIL TECH" Newsletter of Department of Civil Engineering for academic year 2023-24.

Dr. V. R. Rathi

Principal,

P. Dr. Vitthalrao Vikhe Patil Institute of Technology & Engineering (Polytechnic), Loni

MESSAGE FROM H.O.D.

It gives me an immense pleasure to release the "CIVIL TECH" Newsletter of Department of Civil Engineering for academic year 2023-24 enumerating the various activities and achievements of our faculty and students. It is a great feeling to start the newsletter of a department which has such a glorious track record and which is a part of a very reputed institution. The main aim of starting this newsletter is to appreciate the efforts of our innate students and our vastly experienced faculty. Different activities like paper presentations, expert lectures, industrial visits and many more take place in the department. This newsletter highlights all the important happenings taking place in the department. Hearty thanks to our Principal for his valuable encouragement and wholehearted co-operation.

I, as a head of the department would like to thank all the faculty members, non-teaching staffs and students of Civil Engineering for their continuous support and sincere efforts for the betterment and development of department.

On this occasion, I congratulate all the team members of the editorial board for bringing up this issue in a better shape.

Mr. S. K. Gorde
H.O.D.,

About Institute:

Padmashri Dr. Vitthalrao Vikhe Patil Institute of Technology and Engineering (Polytechnic), Pravaranagar (Loni) was established in August 1981. It is one of the first of its kind institute established on No Grant Basis in the State of Maharashtra. The necessity to establish a technical institute in rural area was felt long back by the great visionary Late Padmasubhan Dr. Balasaheb Vikhe Patil. He was of the firm opinion that it is essential to provide higher educational facilities to the rural youth because they are not in a position to compete with their urban counterparts in the race to secure admission in technical institutions due to lack of proper facilities and guidelines. This Polytechnic is consistently training the youth to make them employable or to become self-employed person. In addition with running formal diploma courses, we take care of overall development of the students by training them on soft-skill, industrial training, industrial visits, expert lectures & value addition courses etc.

Vision of the Institute:
To provide quality technical education to rural students.

Mission:
M1. To impart trainings for developing hands on skills.
M2. To develop technical skills by practicing the best teaching learning pedagogies.
M3. To enhance career opportunities through industry contact.

Location:
The institute is located on Loni-Sangamner Road (SH-50), 30 km away from Shirdi, Tal. Rahata, Dist. Ahmednagar (MH).

Who can Participate?
Final year diploma students of MSBTE affiliated institutes & Autonomous Polytechnics.

Topics for Paper Presentation:
1. Green Development
2. Remote Sensing and GIS And Its Application.
3. Use of Fly Ash In Concrete
4. Intelligent Irrigation System.
5. Rural Housing at Low Cost- Improving Water Diversion, Electricity Grids, And Other Infrastructure to Reduce The Expenses.

Guidelines:
The subject topics of paper should be strictly technical and related to the theme only. Length of paper should be between 1800 to 2000 words (Approx. 150-200 lines) 4-5 pages.
Registration Fee: No registration fees
Max. Group size: Two student authors, one faculty member (Guide) and one HOD.

About Civil Engineering Department:
The department was established in the year 1981 with the aim of imparting quality education in Civil Engineering. It has a state of art equipment, spacious laboratories and highly qualified and dedicated staff.

Vision:
To develop the rural students as skilled Civil engineers to build our nation.

Mission:
M1: To develop technical skills through trainings.
M2: To provide Civil Engineering skills to students through teaching and learning process.
M3: To enhance career opportunities for students through higher education, industry and entrepreneurship.

Key Features of the Department:
• Department has received grant from AICTE under MOD/ROB scheme.
• Department has well qualified faculty members.
• Students association is established for all round development.
• Good placement record.
• Strong alumni interaction and support.
• MoU signed with industries for all round development of students.
• State of the art laboratories to set the curriculum.
• Training programs are frequently arranged for overall development of students.
• Career guidance sessions are arranged to make students aware about the career opportunities.
