#### ABOUT DR. VIKHE PATIL POLYTECHNIC COLLEGE LONI

Padmashri Dr. Vitthalrao Vikhe Patil Institute of Technology and Engineering (Polytechnic), Pravaranagar (Loni) was established in August 1981. It is one of the first of its kind established on No Grant Basis in the State of Maharashtra. The necessity to establish a technical institution in the rural area was felt long back by the great visionary Late Dr. Balasaheb Vikhe Patil (Padma Bhushan Awardee). He was of the firm opinion that it is essential to provide higher educational facilities to the rural youths because they are not in a position to compete with their urban counterparts in the race to secure admission in technical institutions due to lack of proper facilities and guidelines. This Polytechnic is consistently training the youth to make them employable or to become self-employed person. In addition to running formal Diploma courses, we take care of overall development of the students by way of training them on soft-skill, industrial training, industrial visits, expert lectures & value addition courses etc.

#### INSTITUTE VISION

To provide quality technical education to rural students.

#### INSTITUTE MISSION

- To impart latest training for developing hands on skills.
- To develop technical skills by practicing the best teaching-learning pedagogies.
- To enhance career opportunities through industry connect.

#### EVENT OBJECTIVES

- To enhance the Technical Skills of Students in the field of Mechatronics.
