## **CHEMICAL ENGINEERING DEPARTMENT**

### **Vision**

To develop rural students as technocrats in chemical field required for society and industry.

### **Mission**

M1: To train the students in the field of Chemical engineering.

M2: To implement the latest teaching learning pedagogies for better understanding of concepts.

M3: To maximise the job opportunities by establishing healthy relations with employers

### **PEOs**

PEO No. 1. Using basics of Chemical engineering exhibit student's ability to understand and find solutions to technical problems.

PEO No. 2 To constantly update their acquired skills and knowledge to meet the growing needs of Chemical Industry profession.

PEO No. 3 To utilize the skills and knowledge of Chemical engineering for industry, society and environment.
