Institute Vision:

To provide quality technical education to rural students.

Institute Mission:

M1: To impart trainings for developing hands on skills.

M2: To develop technical skills by practicing the best teaching-learning pedagogies.

M3: To enhance career opportunities through industry connect.

Computer Technology Department**Vision**

To provide quality technical education in Computer Engineering field that prepares the rural students for socio – economic development

Mission

M1- To impart technical skills to solve the problems in the field of Computer Engineering.

M2- To mould the students for the computer engineering through the teaching - learning process.

M3- To create career opportunities through industry interaction and higher education.

Programme Educational Objectives (PEO)

PEO1: Provide programming skills to develop solutions for the ever changing information technology field.

PEO2: Adapt broad based programming technologies to work in multidisciplinary work environments.

PEO3: Create opportunities for higher education through teaching learning process.

Program Specific Outcomes (PSO's):

PSO1: Use concepts of fundamental engineering, hardware and software to solve engineering problems.

PSO2: Design and develop quality software product for multidisciplinary industry.

PSO3: Apply programming skills to meet the growing needs of computer profession.

About

We are indeed living in the computer age. Today computers are used in wide range of applications. Whether it is a medical, computer, civil or electronics applications, the computers are used to solve the complex problem in efficient manner in a short time. Today computer industry needs adaptable people to represent the business solutions.

Our Computer Technology department is established year in year 1984. The department has fully equipped laboratories and well qualified, experienced staff. The department regularly arranges seminar, workshop from industry experts & our Department Alumni for student as well as for staff and also organizes industry visits for students. The department also offers various add on courses to cope up with the latest trends in technology. The track record of result is also excellent.

The department is equipped with the latest versions of computers and software. There are Six laboratories in the department & all are equipped with 20 PCs. All labs of department are connected with network. The internet facility (Broadband with 65 Mbps) is made available for students and staff.

The department has various Open Source software's as Dosbox, Sublime, Eclipse Wamp Server, MySQL, Tasm, StarUML Umbrello and licensed Microsoft OS and office, and add on equipment as printer, scanner, LCD's etc. The department helps students to get their project sponsored by reputed and recognized organization. The training and placement section helps the student to get proper guidance for placement. The demand of Computer Engineer is well known for IT industries.

The department has organized one week MSBTE sponsored training program on "Software Testing" for teaching staff members of various institutes. The department have conducted various Orientation programs of MSBTE for G Scheme such as C-programming, N/w management, Computer architecture and maintenance. The alumni of our department can access our site and give suggestions for update.

Our Department provides Wi-Fi facility for students.

जल प्रतिज्ञा

मी प्रतिज्ञा करतो की पाणी हे जिवन आहे. पाण्याचा प्रत्येक थेंब हा माझ्या जीवनाचा घटक आहे. माझ्या गावातील समृद्ध आणि विविध पाणी स्रोतांचा मला अभिमान आहे. त्यांची जपवणूक करण्याची पात्रता माझ्या अंगी यावी यासाठी मी सदैव तत्पर असेन. माझ्या गावातील उपलब्ध पाण्याचा मी काटकसरीने वापर करीन.

पाण्याची शुध्दता जपणे आणि त्याची वृध्दी करणे यातच माझे व पर्यायाने सर्व समाजाचे, सौख्य व हित सामावले आहे. पाण्याचा बेदखल वापर तात्काळ थांबवीन आणि ईतरांनाही तसे करण्यापासून परावृत्त करीन शुध्द पाणी व पाऊस पाणी संकलनासाठी सदैव कार्य करीन. पाणी जपने हे माझे कर्तव्य आहे. त्यासाठी आटोकाट व मनपूर्वक झटण्याची मी प्रतिज्ञा करीत आहे. भूगर्भात पाणी जमा केल्याशिवाय जमिनीतून पाणी उपसण्याचा मला नैतिक अधिकारच नाही. माझ्या शेतातील घराच्या छपरावरील, अंगणतील पाणी बाहेर वाहून जाणार नाही, याची मी काळजी घेईन.

पावसाच्या पाण्याचे संकलन करा.
पिण्याच्या पाण्याच्या स्रोताभोवतालचा परिसर स्वच्छ व सुरक्षित ठेवा.
